Drop off days for items will be Wednesday, Thursday and Friday, May 3, 4 and 5 from 11:00 to 7:00 each day at the mansion. Unloading in the alley would help to avoid the front steps. We hope to have volunteers available to help carry items into the mansion.

Jewelry donations can be donated as early as March.

It requires sorting and some thoughts on how to best display it.

We could use small jewelry boxes if you have extra.
