On Saturday, August 30th, the Reddick Mansion Association invites the public to enjoy a "Light Supper and Libations" in the gardens of the Mansion and to learn more about becoming a member of the Reddick Mansion Association. The event, from 4:45pm-6:00pm, is free to all members of the Association and all people interested in learning more about the benefits and advantages of being a member of the Reddick Mansion Association (RMA).

According to Barb Houston, vice president of the RMA, "We chose this date because we thought folks might enjoy spending some time in the Mansion and the gardens learning about the Reddick Mansion Association, before attending the Saturday evening "Music in the Park" program in Washington Square".

Refreshments from the Cheese Shop, as well as wine and lemonade will be served. RMA board members will be answering questions about benefits of being a member of the Association. "In addition to discounts in the gift shop and on room rentals, a quarterly newsletter, and a free annual tour of the Mansion, members know that their membership fees help with the maintenance and restoration of the Mansion," said Diane Sanders, president of the Reddick Mansion Association.

The Reddick Mansion Association was established in 1976 to maintain and preserve the historic building and is a solely volunteer organization. The RMA handles the daily operations, conducts tours, and hosts events at the Mansion. It has also restored several period rooms and has acquired antique furnishings to show life at the time of the Reddick family.

An individual membership is the Reddick Mansion is \$20.00; a family membership is \$30.00. Corporate membership is \$100.00.
