

Diane and other RMA Committee Members:

The actions that I took for each of the following requests is highlighted in **RED TEXT**.

I have been going over the website and have some changes for now.

Please take the highlighted website of Lasalle history off the front page.

it could still be a link but do not leave it on the front home page

This link was removed from the homepage and RELOCATED to the webpage for "Related Links" at <http://reddickmansion.org/otherlinks2.html>

Please hide the "newest additions" and the sitemap

place it somewhere so that it is not prominent on the home page..or remove "newest editions" if that is not possible.

These image links were removed from their "old" positions on the homepage and RELOCATED as TEXT LINKS to the FOOTER SECTION of each webpage.

Please put press releases in an archive

not necessary to have it accessible for visitors to the site.

This TOC link was removed from the left sidebar TOC under the item for "RMA Current Events"; an archive drop-down menu will be RELOCATED to the webpage for "Board Members" at <http://reddickmansion.org/contacts2.html> and can be navigated to by using the TOC path of "Mansion Association > Archives > Press Releases"

Please remove the newsletter archive and the minutes archive

since we do not have much archived for now just remove it.

These dropdown archive links have now been REMOVED.

Please remove "other projects"

I am not prepared to give you the details and photos of the other projects and there is nothing on that page now.

This TOC link was removed from the left sidebar TOC.

I have attached the new board of directors

Please replace the old with this. (no need to include Karen Johnson Office staff or OVC info)

This request has now been completed but should be reviewed by a committee member for accuracy; navigate to <http://reddickmansion.org/contacts2.html>

I will get you the latest list of members and corporate members to replace the old list.

Understood

I am thinking we may redo the website but we can talk about that when you have time.

let me know what works for you and we can begin the process whenever you are available.

The best times for me are after 12:00; I could meet you and/or others either at the LSCGG Guild or at the mansion.

thank you again for all that you do when we come up with these ideas.
